## COALTOWN × THE SECRET

### COFFEE BUILT ON HERITAGE

We are delighted to partner & collaborate with Ammanford-based Coaltown Coffee Roasters for our exclusive house-blend coffee. Ammanford is a post-industrial community twenty miles north of Swansea – a town in which anthracite coal (black gold) fuelled the local economy. When the last of the collieries closed in 2003, the town lost its purpose. Coaltown's ambition was to bring a new industry, a new purpose, a new black gold to the town – in the form of artisan coffee.

Our exclusive house blend is grown in the Cerrado region of central Brazil – a vast savannah with optimal land management and fertilization techniques. Our bossa nova blend of Mondo Novo & Catuaí has a medium-body, flavours of cinder toffee and milk chocolate. Want to take it home with you? You can purchase a 200g whole bean bag for £12.50 – simply ask your server.
